New Members in 2014

So far the club has 5-6 new members this calendar year. If you have not yet paid your 2014 dues, please do so.

Yelp Review for the ODTC

Jack requested that members log onto Yelp and review the ODTC.

Financial Reports

Debbie Hankins presented the financial report for the first half of the year. Revenues have exceeded expenses by \$5,796, slightly ahead of last year. The written audit report of club finances for the first half of the year by our elected trustees (Leslie Halliday and Lynn Kosmakos) was presented.

Training Committee

Tuesday Classes are fully Subscribed and the training committee will provide a written update on all classes in an upcoming newsletter.

House Committee

A group consisting of Barbara Henry, Debbi Hankins, Hazel Olbrich, and Bill Wallace is investigating ways to improve the ventilation, cooling and heating of the training hall.

Action on creating an outside "Potty Area" has been put on hold until the costs of the actions to be recommended by this committee are understood.

Competition Committee

The members present recommended that we should look into doing a VST test because there aren't enough events available in the region.

March Match

The issue of the March Match was brought up. It was not done this year because it needs 60 volunteers and the March date is so close to our April and May trials. Lynn Kosmakos agreed to try to coordinate a match for March 2015. Getting judges and enough ring stewards is often difficult.

AOCNC Match July 26

Harriet Tucker is looking for judges and ring stewards.

Awards and Recognition

The many contributions of volunteers in all aspects of ODTC activities was recognized. We are an all volunteer organization and each member's contribution is appreciated by all.

59 plaques and/or brass plates were presented for team achievements during the calendar year 2013.

Sue Harvey was unanimously elected as a lifetime member of the club to honor and recognize her many contributions to ODTC since its founding in 1947.
