New members were introduced. Please welcome them if you see them at the hall, and continue to recruit. We are steady at around 110 members.

The June 4th Annual meeting minutes were accepted with corrections.

Financial Update – Debbi Hankins

We are doing well, training revenue is up from last year. Discussion about how to use surplus included scholarship to Davis Vet school, K-9 military support, free or discounted member matches, etc.

Honorary members

The club approved honorary memberships for Frank and Lucille Asaro and Julie Rose.

Wall of Fame photographs

Please continue to send your photos to Marti. The project will be well underway by the time of Lori Drouin's seminar, but additions are always welcome.

Training Committee updates – Hazel Olbrich

Report sent by Lizanne Kaiser via email. A reminder about the new 7:30 off-leash control class on Mondays

The Floor

When the mats were taken up, it was discovered that there is water seepage underneath. The landlord will be addressing this issue. The hall will be unavailable the weekend of 11/18-19. The question of new matting is still open.

Newsletter

Zanna Knight is stepping down from editing the newsletter. We need 1-2 volunteers who can solicit articles. Jack will continue to do the layout.

Volunteers

Volunteers are needed for a large variety of jobs within the club. Jack circulated an extensive list of opportunities that need to be filled. Laurie Raz-Astrakhan agreed to be the agility trial chair. There is still no chair for the March match although all other positions have been filled.
